

Colour options

Tile Trims are available in a wide range of colours and surface finishes that conform to popular sanitary fittings and tile colours. Most of the colours can be cross-referenced to RAL and BS colour standards

Presently there are over 35 standard colours with options in special finishes and high gloss surface coatings. To meet with specific project specifications, designer colours can be custom matched to co-ordinate with special concepts and finishes.

Please use the colour chart as general reference only and specify the colour by its name when ordering. Actual colour samples are available from Arab Supplier Company
